**362 MINUTES**

**RESOLVED** to confirm and sign the minutes of the Planning meeting held 7 October 2024.

**363 TO CONSIDER WHAT COMMENTS TO MAKE ON THE FOLLOWING APPLICATIONS THAT WILL BE DETERMINED BY SOMERSET COUNCIL**

**(a) Case Ref: 43/24/0074**

**Proposal:** Erection of a ground floor extension, with roof terrace above to the rear of 2 White Hart Court, White Hart Lane, Wellington (resubmission of 43/24/0039).

**RESOLVED** to recommend that this application be refused. Councillors agreed with the concerns raised by members of the public in that the proposal would result in loss of light and privacy to neighbouring properties, it would be harmful to the character of the street scene, which is within the Conservation Area, loss of the currently shared amenity space courtyard and inappropriate access for motor vehicles via the small archway which would require multiple manoeuvres to gain access causing a hazard to traffic and pedestrians in White Hart Lane.

**(b) Case Ref: 43/24/0085**

**Proposal:** Erection of a detached single storey garden room at 3 Farthings Pitts, Foxdown Hill, Wellington.

**RESOLVED** to recommend that this application be approved.

**RESOLVED** to recommend that this application be approved.

### 364 PRE-APPLICATION CONSULTATION CORRESPONDENCE

Pre-application correspondence from Cornerstone regarding a proposed upgrade to an existing radio base station at Richardson's Garage was circulated with the agenda.

Having considered the proposals as well as comments made at a previous meeting on a related prior approval application, it was **RESOLVED** to reply to the correspondence thanking Cornerstone for consulting with the Council at this stage but that comments made previously are still appropriate: *"The proposal, being double the height of the existing as well as the associated apparatus being large and prominent, is not appropriate for the location of the current mast. It will be overbearing on nearby residential, commercial, and school properties. It will be visible from the Town Centre and will have a detrimental impact on the visual outlook of the Conservation Area."*
